Welcome to Worship

Thanks for joining us! If you are visiting and do not have a church home, consider making your church home with us. If you have any questions or would like a visit from one of our pastors, please let us know by filling out the tab and putting it in the box at the back of the sanctuary.

A nursery (Room 305 - upstairs) with caring leaders is available throughout the service for Babies (0-23 months). The 2s & 3s Program (Room 303 - upstairs) also begins before the service and continues throughout the service. Children (Ages 4 - Grade 4) go partway through the service (following Children's Story) to the Loft (Room 301 - upstairs). All children can be picked up following the service in their respective rooms.

Please note that the washrooms are located at the back of the foyer.

PICTURES WANTED

We are looking for photos of church activities, events and of course people to include in our Church Directory. Along with individual family portraits, the directory will include pages of fun church photos. We want to do our best to capture who we are as a church and how we fellowship together. If you have any photos that you would like to be considered for the directory, please e-mail them to the church office.

For those who did not have their pictures taken last week, we would like to know if you want to use the picture we already have, or if you would like to submit a more up-to-date picture.

NOTE: ALL PICTURES FOR THE CHURCH DIRECTORY MUST BE IN BY TODAY.

Exciting News!

A baptism is being planned for November 20. If you are interested in learning more about Baptism please talk with Pastor Peter or fill out the welcome tab.

Baptism at Douglas Baptist...

Our church practices *believer's baptism by immersion*. We believe baptism to be *an outward sign of an inward change*- a public and personal declaration of one's faith in **Jesus Christ as Savior and Lord**. The Bible teaches that those who have put their trust in Jesus as Savior and Lord and desire to walk in his ways are prepared for baptism (see Acts 2:38, Matthew 28: 19, 20, Acts 8:36-39, Acts 8:12-13).

Pastor Dan's Ordination Service

Saturday, November 5 @ 7:30pm

Guest Speaker: Dr. Glenn Wooden

(Associate Professor of Old Testament Studies at Acadia Divinity College)

Ordination is the last step in the formal process of recognizing what God has already done in the life of an individual in choosing them for pastoral ministry. This is a very significant event, not only for Pastor Dan but for our church as well. While there is a formal process in place that all ministers in our Convention must follow to be ordained, this service is meant to be a time to celebrate what God is doing so please make every effort to join us! A fellowship time will be help afterwards as well.

Pray for ...

- o *Those serving overseas. (Lance Wade from here in Douglas)*
- o *Our nominating committee as they seek God's will in finding individuals to serve*

Kenya - Tim and Diane Bannister ask us to pray for the Africa Brotherhood Church and the African Christian Church and Schools as they wrestle with what is the right response to the current drought. Suffering is widespread, covering almost all parts of Kenya and even if the October/November rains are the best ever, there will be no harvest until at least February next year. Pray that God will grant His wisdom and guidance to those in the relief and development roles within the churches of both denominations.

Global Field Staff - 1Thessalonians 3:1 reads "pray for us that the Word of the Lord may spread rapidly." Remember to approach God on behalf of His servants - those in Canada as well as those who serve overseas. Pray for your own church's Partners in Mission. Pray for their health and safety as they travel, and pray that the Lord will grant them the strength they need to continue their Kingdom work with energy and enthusiasm.

First Nations - Faith Holwyn, who presents her Groups of Hope workshops both overseas and with First Nations people here northern Ontario, asks us to please pray for our native brothers and sisters in Canada. So many are suffering with addictions, and the effects on not only families, but whole communities, is devastating. Pray for the Christians who are burdened by what they see and need God's strength to carry a clear and credible witness to those around them.
